ABOUT US

At Angel Perfumes & Cosmetics we aim to offer our customers a variety of personal care, toiletries, home care, detergents, perfumes & cosmetics. We supply high quality, innovative products at affordable prices, into a vast chain of retail, wholesale & FMCG markets. We have also extended supply into the neighbouring export market. We offer all of this while providing excellent customer service and friendly support.

OUR MISSION

Our customers are our top priority. We are dedicated to servicing and maintaining a lasting relationship with our customer base.

OUR PRODUCTS

We have put in stringent quality controls and our products undergo quality checks before entering the market. We work with reliable & accredited suppliers, to supply you the best quality product.

Indulge yourself in every use.
